Opportunities and benefits

What is the Batt4EU Partnership?

A co-programmed Partnership for batteries under Horizon Europe

A co-programmed Partnership under Horizon Europe which gathers – on the public side – **the European Commission**, and - on the private-side – **the Batteries European Partnerships Association (BEPA)** bringing together all the European battery stakeholders interested to get involved in Horizon Europe.

The Batt4EU vision

Towards a competitive European industrial battery value chain for stationary applications and e-mobility

To establish the **best innovation ecosystem** for batteries in the world in Europe by 2030

Which will boost a **competitive, sustainable and circular** European battery value chain

And will drive the transformation towards a **carbon-neutral society**

Batt4EU objectives

Specific objectives

Support the development of **differentiating technologies in battery materials, cell design and manufacturing and battery recycling**, leading to demonstrations of new chemistries, cells, production lines and proof of concept of recycling logistics and methods

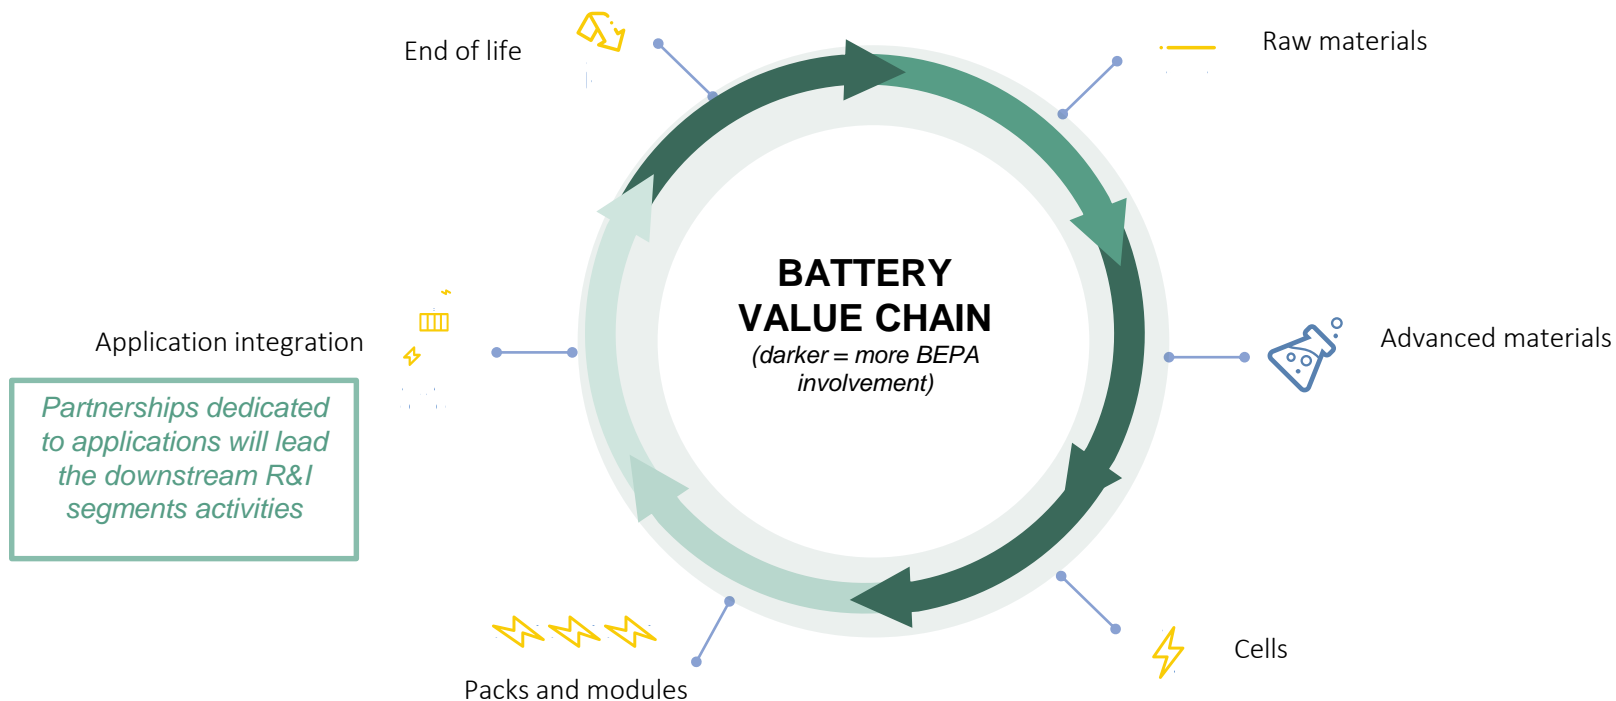

Accelerate the development and deployment of **sustainable and affordable battery solutions for clean mobility**, by building a strong innovation ecosystem with downstream partnerships leading to joint demonstrations in different transport modes

Enable a **cost-effective integration of renewable energy sources in the power grid**, by developing affordable batteries for stationary energy storage applications, leading to demonstrations of different scales of storage systems

Scope of the Batt4EU Partnership

How to get involved in the Partnership? Join BEPA!

In which activities can you be involved?

BEPA is the private-side association of the Batt4EU Partnership which gathers all the battery stakeholders interested to get involved in the Horizon Europe Work Programme.

Being a member of BEPA enables you to take part in the following activities:

Join Working Groups

Match-making and networking events

Early access to information on industry roadmap and ongoing battery projects

Thematic workshops and joint events with stakeholders from the whole battery community

Set the European R&I landscape for the Battery Industry

Covering transversal and non-technical aspects:

- Task Force Digitalisation
- Task Force Education and Skills
- Task Force Safety
- Task Force Sustainability
- Task Force Social Science and Humanities
- Task Force Standardisation and Hybridisation
- Task Force Innovation Uptake*

Engage with the community

- Be part of a **strong industrial network** with a focus on innovation;
- Strong connections **with other relevant European Partnerships**;
- Participate in **networking events** with other BEPA members.

How to join BEPA?

Who can apply?

All **legal entities** with activities in R&D, demonstration, industrialisation, production, commercialisation or deployment of the technologies and services **within the scope of the Partnership**, sharing and supporting the objectives of the Partnership, and **performing activities in the European Union** (or countries associated to the Horizon Europe Programme), can apply for membership.

Membership categories

INDUSTRY MEMBERS (inc. for profit research)	Annual Fee
Large (headcount >5000 and turnover >1,5bn€)	9.500,00€
Intermediate (headcount 250-4999 or turnover 50ml-1,5bn€)	7.500,00€
Medium* (headcount 50-249 or turnover 10-50ml€)	5.000,00€
*SME (headcount 50-249 or turnover <50ml€)	2.500,00€
Small (headcount <50 or turnover <10ml€)	1.500,00€
RESEARCH MEMBERS (non profit)	
Large (headcount >250)	4.000,00€
Small (headcount <250)	2.500,00€
ASSOCIATE MEMBERS (membership without voting rights)	
Associations, NGOs and other stakeholders	1.000,00€

How to join BEPA?

Apply online

- **To become a member of BEPA:** please fill in the [membership application form](#)
- Once the application is submitted online: your application will be checked and **submitted to BEPA Executive Board for approval.**
- The BEPA Office will then inform you when your application process will be finalised.

The screenshot shows a web browser window with the URL 'eUSurvey'. At the top right, there is a checkbox labeled 'Save a backup on your local computer (disable if you are using a public/shared computer)'. The main heading is 'APPLICATION FOR MEMBERSHIP OF THE BATTERIES EUROPEAN PARTNERSHIP ASSOCIATION'. Below this is a yellow box with the text 'Fields marked with * are mandatory.' A grey box contains a 'Disclaimer' stating that the European Commission is not responsible for the content of questionnaires created using the EUSurvey service. The form title is 'APPLICATION FOR MEMBERSHIP OF BEPA AISBL - THE BATTERIES EUROPEAN PARTNERSHIP ASSOCIATION'. Below the title, it says 'In order to proceed with your membership application, please complete and submit this form:'. The section is titled 'YOUR ORGANISATION'. There are two mandatory fields: '* Legal name (full name of the organisation)' with a sub-note 'As stated in the legal statute of the registration act/decree establishing the organisation' and a text input field; and '* Establishment / Registration country' with a sub-note 'Country of registration or establishment of the organisation' and a dropdown menu. At the bottom, it says 'Legal organisation's address:'.
