

Online Brokerage Event: Bavaria-Israel Symposium & Friends

4th Bavaria-Israel Symposium: "ENERGY"

May 12, 2020 // Munich - Jerusalem

The 4th Bavaria-Israel Symposium invites experts from the field of "Energy" to an **online brokerage event** on energy-related calls from the EU-Framework Programme Horizon2020 (see the call selection below). If you:

- would like to start a new H2020-application
- are looking for additional partners for your H2020-proposal
 - would like to join a H2020-consortium
 - strengthen your international network

this is your place to be.

The symposium is organized by the Scientific Coordination Office Bavaria-Israel of the Bavarian Research Alliance (BayFOR) and the Israel-Europe R&D Directorate (ISERD) in two parallel sessions taking place in Munich and Jerusalem. Participants are also welcome to join online from their home office. The 4th Bavaria-Israel Symposium is glad to welcome additional partners from Canada and Norway, who are going to join us online.
