

## Online Brokerage Event: Trilateral Symposium

**\*Bavaria \* Israel \* France\***

# The Green Deal Call

**September 16, 2020 \* 10:00-16:00 (CEST)**

- Do you plan to apply for one of the Green Deal Calls?
- Are you looking for additional partners for your Green-Deal-Consortium?
  - Do you want to join a consortium?
- Are you looking for detailed information on some of the Green Deal Calls?
  - Do you want to strengthen your international network?

Then you are welcome to join **our online brokerage event** on the “Green Deal Call” with experts from Israel, France and Bavaria on September 16, 2020.

The event is organized by the **Scientific Coordination Office Bavaria-Israel of the Bavarian Research Alliance (BayFOR)**, the **Israel-Europe R&D Directorate (ISERD)**, the **Office for Science and Technology of the French Embassy in Germany** and the **Franco-Bavarian University cooperation center (Bay-France)** and includes **three workshops** on different fields from the Green Deal Call to foster new research projects and networks. The workshops focus on following areas:

**Area 3: Industry for a clean and circular economy**

**Area 6: Farm to Fork**

**Area 10: Empowering citizens for the transition towards a climate neutral, sustainable Europe**

The workshops will be accompanied by experts from ISERD and BayFOR, who provide a comprehensive insight into the different calls’ scopes and expectations. Participants will be invited to present their own research interests, expertise and cooperation ideas in a **short pitch presentation (max. 3 minutes)**.

Following the workshop, we will be happy to support potential projects until the submission deadline.
