

International Networking Event

Horizon Europe, Cluster 5, Destination 3 + 4: “Sustainable, efficient and secure energy supply and use”

May 02, 2022

10:00-12:45 (CET) / 11:00-13:45 (IST)¹

The international networking event on **May 2, 2022** focuses on **four specific topics from Cluster 5 “Climate, Energy, Mobility” of the EU Framework Programme “Horizon Europe”** and invites **Bavarian, Israeli and other European stakeholders** from the academy, research organisations, industry and other fields to explore new cooperation and network. The event is organized by experts of the **Scientific Coordination Office Bavaria-Israel of the Bavarian Research Alliance (BayFOR)** and the **Israel-Europe R&D Directorate (ISERD)**.

We offer you the opportunity to:

- receive **up-to-date information** on the specific Horizon Europe topics mentioned below;
- join **one** out of four parallel workshops on specific calls:
 - **Workshop 1:** [HORIZON-CL5-2022-D3-02-04: Technological interfaces between solar fuel technologies and other renewables](#) (RIA)
 - **Workshop 2:** [HORIZON-CL5-2022-D3-02-07: Renewable energy incorporation in agriculture and forestry](#) (IA)
 - **Workshop 3:** [HORIZON-CL5-2022-D4-01-01: Demand response in energy-efficient residential buildings](#) (IA)
 - **Workshop 4:** [HORIZON-CL5-2022-D4-01-02: Renewable-intensive, energy positive homes](#) (IA)
- present your area of expertise / specific project idea in a **short pitch (max. 3 minutes / max. 4 slides)**. **A short pitch is the best way to get to know each other!**
- find **new international partners** for further research cooperation;
- **exchange** with other international participants on specific project ideas and approaches; Registration to the event has to be done **by April 27, 2021 at the latest**.

The event is free of charge. Please note that there is only a **limited number of pitches available** per workshop. In case one of the workshops is overbooked, we reserve the right to prioritise the participants based on their profile, expertise and/or project idea.

Pre-Meeting: All participants are invited to join the Webinar “Horizon Europe for Applicants: How to write a successful proposal” as a pre-meeting on **April 27, 2022 at 10:00-11:00 (CET)** where BayFOR and ISERD present key requirements for successful Horizon Europe proposals.

¹ Please note that the event’s agenda includes two different time zones according to the organizing institutions.
